With room for four seated passengers and two sleeping guests it provides the perfect getaway vehicle for a romantic escape, a fun holiday with the kids or just some solitary chill-out time.

No need for making reservations or struggle with tent poles - the TRAKKA Torino will allow you the freedom to just go. Simply pull up, pour a glass of champagne and admire the uninterrupted view.

The vehicle enables you to enjoy the best of a camping-style holiday without exposure to the uncomfortable elements.

The TRAKKA Torino comes standard with a comfy double bed, fully equipped bathroom with hot shower, gas stove, refrigerator, state of the art power systems for remote camping and many options
